NEW PROTOCOLS FOR ENTRY INTO TRINIDAD & TOBAGO VIA SEA (For Yachts Only)

Step 1

FULLY VACCINATED

Only Fully Vaccinated Non Nationals will be allowed entry into Trinidad & Tobago via their Yacht.

Fully Vaccinated persons will not be required to quarantine on arrival.

Your first port of entry must be Trinidad, once cleared, if you wish to proceed to Tobago then you may.

Step 2

PCR TEST

All adults must have a verifiable negative PCR test result no more than 72 hours prior to arrival.

Children under the age of 18 must have verifiable negative PCR test results no more than 72 hours prior to arrival and must take another test 3 days after arrival.

STEP 3

Apply for your travel pass [Trinidad & Tobago - Travel Requirements \(ttravelpass.gov.tt\)](http://Trinidad & Tobago - Travel Requirements (ttravelpass.gov.tt)) Ensure you have pass before travelling.

STEP 4

SCAN & EMAIL

Please fill out your Float Plan and your Health Declaration Forms. Follow all instructions on the form and Send as .jpeg or .pdf via email to the addresses listed on the Float Plan. Please cc Jesse James and YSATT. They will notify other agencies (CMO/Port Health, Customs, Immigration), on your behalf.

STEP 5

HEALTH CHECK & CLEAR

When you arrive into Trinidad, alert TTCG & YSATT. You will be required to take up a mooring ball or anchor in the Chaguaramas Bay with your Quarantine Flag raised until Port Health can do their checks for Vaccination, Test results and crew temperatures. **ONLY AFTER** Port Health checks, then proceed to Customs and Immigration.

Note:

VACCINATION

All adults must have a verifiable vaccination card showing full vaccination with at least 2 weeks having past since final vaccine dose. Children (persons under the age of 18 years) It must be noted at this time WHO has not approved the use of vaccines in this category (with the exception of the Pfizer Biontech vaccine (Cominarty); which is authorized for ages 12 years and above, however, at this time, remains largely unavailable to the people of Trinidad and Tobago. As such an unvaccinated child travelling with a vaccinated adult will be allowed entry. The child must have verifiable negative PCR test results no more than 72 hours prior to arrival and must take another PCR test 3-5 days after arrival. All results negative or positive to be reported to the CMHO and or CMO. Those who are positive will be required to isolate immediately at the discretion of the CMOH and an additional quarantine order will be applied.

Note:

Float Plan & Maritime Health Form

Find Downloadable Float Plan and Maritime Declaration of Health Form at [Float Plan Form/Maritime Declaration of Health –](#)

Note:

STAY IN CONTACT

Call Radio North Post Radio (VHF 16 or SSB 2182kHz) on approach to Trinidad & Tobago to inform of your arrival. Radio TT Coast Guard on VHF Ch16 upon arrival into Chaguaramas Bay.

Note:

OBSERVE COVID RULES

After clearing into Trinidad & Tobago, visitors are required to abide by COVID safety measures: wearing mask, wash/sanitize hands, practice social distancing. Please note these rules can change depending on the virus. **For more info check** www.health.gov.tt
